

Bethesda Chevy-Chase Chapter of the Izaak Walton League of America

Our Conservation Farm:

Enjoy 624 acres of woods, fields, ponds, trails, and gardens.

Trails & Wildlife: Wander shaded paths and open meadows where you can experience deer, diverse bird species, and other wildlife up close, all in their natural habitats.

Fishing: Cast a line for smallmouth bass, bluegill, and other native species in one of our two ponds. Seasonal Trout fishing

Shooting Sports: Enjoy access to our archery, shotgun, rifle, and pistol ranges.

Hunting: For members who enjoy hunting, opportunities are available on chapter property

Garden Plots: Reserve a plot to grow your own vegetables, herbs, or flowers

info@bcciwla.org

Beekeeping: Curious about beekeeping? We support members in maintaining hives and growing their knowledge.

Christmas Trees: During the holiday season, members can select and cut their own Christmas tree from the farm

Camping, Events & Education Opportunities: From family campouts to tours, Bird watching to conservation, archaeology to photography, there's always more to see and do, especially for families.

Outreach: Connecting with local scout troops, schools and conservation groups

A Community of Learning & Stewardship: Connect with knowledgeable members who bring expertise in areas like habitat restoration, conservation agriculture, wildlife management, and more.
